

TERMS AND CONDITIONS; COLLECTION/DELIVERY

A contract is formed for the sale of a work once its key terms are recorded or confirmed in writing. All sales of work are subject to these terms and conditions and to any applicable special conditions. The work will remain the property of the artist until fully paid for.

All stated dimensions are width x height in cm to the outside of the frames (of the work in the case of unframed work), and are (unless specified) rounded to nearest cm. The images on WM's website are no indicative of their actual or relative sizes. in The buyer will be deemed to have agreed that he/she has checked the size of the painting bought, and, if he/she cares about the nature and colour of the frame and/or mount (where relevant, it being noted that some pictures are sold unframed), he/she has ascertained what they are like and satisfied him/herself about them. Photos of frames/mounts can be provided on request.

Payment is to be made promptly by bank transfer, or such other method as may be agreed.

Collection/delivery: all deliveries will be at the buyer's risk and, unless agreed otherwise, made by courier and charged to the buyer, save that works may be collected/delivered in person by arrangement.
